

B19 MC COMPETITION REPORT  
SPEED EVENTS FOR 2018

B19 HETHEL SPRINT APRIL 22ND

For the start of our Sprint Calendar for this year we are running a revised track using two laps of the south circuit. I am hoping it will make for a challenging course. The advantage of this layout, there will be no coned chicanes, with a challenging bend before the start of the second lap and the only penalties will be four wheels off.

We will still have the long circuit on the track licence with the possibility of a third option in the future. The Reg's are out now. Hope to see as many of you there as possible.

B19 SNETTERTON DOUBLE HEADER SPRINT NAT A/ NAT B 23/24TH JUNE.

Again for 2018 the date for our Snetterton double header had to be changed because of the racing calendar. In some ways I am hoping we can keep these dates for 2019 because of the number of Speed events in May.

LYDDEN HILL SATURDAY JULY 14TH RAY HEAL MEMORIAL ALL DAY SPRINT. BOROUGH 19 / TONBRIDGE WELLS / SEVENOAKS / MAIDSTONE.

Competitors will have a practice of 2.75 laps followed by a minimum of 4 timed runs followed by a best improver run if time permits.

Working with the circuit owners WE ARE HOPING TO PROVIDE REFRESHMENTS / BARBEQUE Friday afternoon and evening with possible some entertainment.

On Saturday local classic cars displayed with a celebration of the 50th Anniversary of the Ford Escort etc. Covered areas in case of rain.

These are some of the ideas to make it more of an event.

B19 HETHEL SPRINT AUGUST 5TH

The last B19 Sprint of the 2018. The course we use will be decided nearer to the date. To round off I would just like to apologise on behalf of the Committee for the lack of communication over the past few months, we are now back on track,

I hope you all have an exciting safe competitive year.  
Don't hesitate to get in touch by email or phone with any queries .

John Sharp ( Competition Secretary )
