Because of the track layout at this event and to ensure safety, the starting procedure will be as follows: -

When each vehicle is in position to start the driver will be directed to watch the lights When the

light changes from red to green the driver has a **maximum 5 seconds** to leave the start line. After this 5 second interval a red flag will denote a void run and no re-run will be given. Any driver who ignores the red flag and commences the run may be excluded from the event.

Timing will be by automatic equipment. Timing struts are mandatory see **S10.9**.

Competitors will be identified by competition numbers which will be allocated (but not supplied) by the organisers see **S9.2.5**. Numbers must be displayed on both sides of the competing car. Where a car is double entered the numbers not applicable must be completely masked. If this is not done the MUK Timekeeper may not give a time and in that case a re-run will not be given

19. Penalties:

Competitors will be penalised by 5 seconds for each course cone struck. In the event of a competing car failing to keep all four wheels on the designated course a penalty of '4 wheels off' **[4WO]** will be imposed and no time will be given for that run. Failure to follow the correct route **[WR]** will also result in no time given. If, for any reason, a competing vehicle strikes the course timing equipment a time will not be given for that run.

Flag Signals:

Only 3 flag signals may be used.

Union Flag at the start if the start lights fail.

Chequered Flag at the Finish

Red Flag [Q 15.1(j) will apply in S9.3.7]

If a Red Flag is displayed at a marshal's post, immediately cease driving at racing speed and proceed slowly, without overtaking, and with maximum caution to pits or start line obeying marshal's instructions and being prepared to stop should the track be blocked.

Competitors who ignore a red flag signal may be disqualified from the meeting, have their licence endorsed and incur licence penalty points in accordance with C2.1.4-C2.1.8
