

Coronavirus Statement

Sent on behalf of the committee of Sevenoaks & District Motor Club
Monday 2nd November 2020

Following the latest Government announcement regarding the spread of Coronavirus and the subsequent Motorsport UK directive to us, the club has now postponed the November 12 Car Rally and Brands Hatch Autosolo. These were the last two events to be run in our 2020 calendar, but your committee will constantly review the situation to see if these two events can be rescheduled at some time. We will therefore keep you posted on developments accordingly.
